YouSendIt Corporate Suite Enables Businesses to Cut Costs and Increase Productivity

YouSendIt Corporate Suite simplifies sending large files

Campbell, Calif. – October 30, 2007 – YouSendIt, the trusted global leader in digital content delivery, today announced that it has expanded its service offerings by releasing YouSendIt Corporate Suite, which enables businesses to centrally deploy multiple users sending and receiving files via YouSendIt on one corporate account.

Available on a subscription basis, YouSendIt Corporate Suite reduces costs and overhead associated with maintaining FTP servers and having to upgrade e-mail infrastructures. It offers unlimited bandwidth when sending files and provides automated and centralized user management across organizations. YouSendIt Corporate Suite also offers Password Protection and Certified Delivery with tracking, which provides automatic digital rights management features, eliminating the fear of unauthorized downloads or interception.

“We created YouSendIt Corporate Suite to help businesses worldwide eliminate the hassles and expenses associated with sending large files,” said YouSendIt founder Ranjith Kumaran. “Cutting costs and increasing productivity are vital for companies stay competitive in the marketplace and we’re excited to contribute to that success.”

Beltsville, Maryland-based Ritz Camera Centers Inc. finds YouSendIt Corporate Suite to be efficient and economical. James Masters, Ritz Camera director of Technical Services said, “YouSendIt Corporate Suite reduces our IT expenses and allows me to centrally manage more than 90 technicians who service over 3,000 kiosks nationwide by sending and tracking our proprietary software files.”

More than 7,000 companies have incorporated YouSendIt Corporate Suite into their workflow as a mission-critical solution that offers a trusted, convenient service for their entire organization. YouSendIt eliminates the need for business users to struggle with FTP transfers, burn a CD to mail via overnight courier or encounter e-mail bounce-backs from attachments that are larger than recipient networks allow. Most importantly, files delivered through YouSendIt are secure and can be tracked with assured delivery and a delivery receipt.

With more than 5 million registered users from 220 countries, YouSendIt transfers over 30,000 GB per day and 500 million files to-date.
